Contents

WHAT IS PSYCHOLOGY?

Defining Psychology

- Psychology Versus Common Sense: What Don't You Already Know About Psychology?
- Thinking Like a Psychologist Means Thinking Like a Scientist
- Positive Psychology

The Roots and Early Scientific Approaches of Psychology

- Structuralism
- Functionalism

Contemporary Approaches to Psychology

- The Biological Approach
- The Behavioral Approach
- The Psychodynamic Approach
- The Humanistic Approach
- The Cognitive Approach
- The Evolutionary Approach
- The Sociocultural Approach

CRITICAL CONTROVERSY: CAN HUMANS REALLY BE ALTRUISTIC?

Areas of Specialization and Careers in Psychology

- Areas of Specialization

INTERSECTION: CROSS-CULTURAL PSYCHOLOGY AND EMOTION: HOW DOES CULTURE INFLUENCE HAPPINESS?

- Careers

PSYCHOLOGY AND LIFE: IS PSYCHOLOGY IN YOUR FUTURE?

Psychology and Health and Wellness

- How the Mind Impacts the Body
- How the Body Impacts the Mind
- Summary: What Is Psychology?
- Key Terms
- Apply Your Knowledge

PSYCHOLOGY'S SCIENTIFIC METHOD

Psychology's Scientific Method

- A Scientific Approach
- Collaboration
- The Five Steps in the Scientific Method

Research Settings and Types of Research

- Research Settings
- Descriptive Research

PSYCHOLOGY AND LIFE: WHO IS THE HEALTHIEST PERSON YOU KNOW?

- Correlational Research
- Experimental Research

INTERSECTION: ANTHROPOLOGICAL THEORY AND SOCIAL PSYCHOLOGY: CAN REMINDERS OF DEATH INFLUENCE POLITICAL ALLEGIANCE?

Analyzing and Interpreting Data

- Descriptive Statistics
- Inferential Statistics

The Challenges of Conducting and Evaluating Psychological Research

- Conducting Ethical Research

CRITICAL CONTROVERSY: WOULD REALITY TV PASS THE INSTITUTIONAL REVIEW BOARD?

- Minimizing Bias
- Being a Wise Consumer of Information About Psychology

The Scientific Method and Health and Wellness

- The Science of Increasing Happiness
- Summary: Psychology's Scientific Method
- Key Terms
- Apply Your Knowledge

BIOLOGICAL FOUNDATIONS OF BEHAVIOR

The Nervous System

- Characteristics
- Pathways in the Nervous System
- Divisions of the Nervous System

Neurons

- Specialized Cell Structure
- The Neural Impulse
- Synapses and Neurotransmitters
- Neural Networks

Structures of the Brain and Their Functions

- How Researchers Study the Brain and Nervous System
- Levels of Organization in the Brain
- The Cerebral Cortex

CRITICAL CONTROVERSY: ARE HUMAN BRAINS UNIQUELY WIRED TO RECOGNIZE FACES?

- The Cerebral Hemispheres and Split-Brain Research

INTERSECTION: EMOTION AND THE HAPPY BRAIN

- Integration of Function in the Brain

The Endocrine System

- Endocrine System Structures and Functions

Brain Damage, Plasticity, and Repair

- The Brain's Plasticity and Capacity for Repair
- Brain Tissue Implants

Genetics and Behavior

- Chromosomes, Genes, and DNA
- The Study of Genetics

PSYCHOLOGY AND LIFE: THE HUMAN GENOME PROJECT AND YOUR GENETIC FUTURE

- Genes and the Environment

Psychology's Biological Foundations and Health and Wellness

- Stress and Stressors
- Managing Stress Through Self-Talk
- Summary: Biological Foundations of Behavior
- Key Terms
- Apply Your Knowledge

HUMAN DEVELOPMENT

Exploring Human Development

- How Do Nature and Nurture Influence Development?
- Do Early Experiences Rule Us for Life?

Child Development

- Prenatal Development
- Physical Development in Childhood
- Cognitive Development in Childhood
- Socioemotional Development in Childhood

CRITICAL CONTROVERSY: PARENTS MATTER, DON'T THEY?

INTERSECTION: DEVELOPMENTAL PSYCHOLOGY AND SOCIAL PSYCHOLOGY: WHAT ARE FRIENDS FOR?

- Positive Psychology and Children's Development: Resilient Children Adolescence
- Physical Development in Adolescence
- Cognitive Development in Adolescence
- Socioemotional Development in Adolescence

PSYCHOLOGY AND LIFE: DEVELOPING A POSITIVE IDENTITY

- Positive Psychology and Adolescence

Adult Development and Aging

- Emerging Adulthood
- Physical Development in Adulthood
- Cognitive Development in Adulthood
- Socioemotional Development in Adulthood
- Positive Psychology and Aging

Developmental Psychology and Health and Wellness

- Coping and Development
- Life Themes and Life-Span Development
- Summary: Human Development
- Key Terms
- Apply Your Knowledge

SENSATION AND PERCEPTION

How We Sense and Perceive the World

- Detecting, Processing, and Interpreting Experiences
- Sensory Receptors and the Brain

Thresholds
Signal Detection Theory
Perceiving Sensory Stimuli

INTERSECTION: PERCEPTION AND SOCIAL PSYCHOLOGY: WAS THAT A GUN OR A CELL PHONE?

Sensory Adaptation

The Visual System

The Visual Stimulus and the Eye
Visual Processing in the Brain
Color Vision
Perceiving Shape, Depth, Motion, and Constancy
Illusions

The Auditory System

The Nature of Sound and How We Experience It
Structures and Functions of the Ear
Theories of Hearing

PSYCHOLOGY AND LIFE: IS YOUR IPOD HURTING YOUR HEARING?

Auditory Processing in the Brain
Localizing Sound

CRITICAL CONTROVERSY: ARE COCHLEAR IMPLANTS A “CURE” FOR DEAFNESS?

Other Senses

The Skin Senses
The Chemical Senses
The Kinesthetic and Vestibular Senses

Sensation, Perception, and Health and Wellness

Taking Care of Our Senses—and Enjoying the Rewards
Summary: Sensation and Perception
Key Terms
Apply Your Knowledge

CHAPTER 6

STATES OF CONSCIOUSNESS

The Nature of Consciousness

Consciousness and the Brain
Levels of Awareness

INTERSECTION: CONSCIOUSNESS AND DEVELOPMENTAL PSYCHOLOGY: HOW DO WE DEVELOP A SENSE FOR THE MINDS OF OTHERS?

Sleep and Dreams

Biological Rhythms and Sleep
Why Do We Need Sleep?

PSYCHOLOGY AND LIFE: DO YOU GET ENOUGH SLEEP?

Sleep Stages
Sleep and Disease
Sleep Disorders
Dreams

Hypnosis

The Nature of Hypnosis
Explaining Hypnosis
Applications of Hypnosis

Psychoactive Drugs

Uses of Psychoactive Drugs
Types of Psychoactive Drugs

CRITICAL CONTROVERSY: SHOULD PSYCHEDELIC DRUGS BE LEGALIZED FOR MEDICAL USES?

Consciousness and Health and Wellness

Positive and Negative Aspects of Our Thoughts
The Meditative State of Mind
Summary: States of Consciousness
Key Terms
Apply Your Knowledge

CHAPTER 7

LEARNING

Types of Learning

Classical Conditioning

Pavlov's Studies
Classical Conditioning in Humans

Operant Conditioning

Defining Operant Conditioning
Thorndike's Law of Effect
Skinner's Approach to Operant Conditioning
Shaping

PSYCHOLOGY AND LIFE: MIND GAMES

Principles of Reinforcement

CRITICAL CONTROVERSY: WILL SPARING THE ROD SPOIL THE CHILD?

INTERSECTION: BEHAVIORISM AND NEUROSCIENCE: IF IT FEELS GOOD, IS IT REINFORCING?

Observational Learning

Bandura's Model of Observational Learning

Cognitive Factors in Learning

Purposive Behavior
Insight Learning

Biological, Cultural, and Psychological Factors in Learning

Biological Constraints
Cultural Constraints
Psychological Constraints

Learning and Health and Wellness

Classical Conditioning: From Pavlov to You
Operant Conditioning: What a Rat Can Tell Us About Stress
Behavior Modification
Summary: Learning
Key Terms
Apply Your Knowledge

CHAPTER 8

MEMORY

The Nature of Memory

Memory Encoding

Attention
Levels of Processing
Elaboration
Imagery

Memory Storage

Sensory Memory
Short-Term Memory
Long-Term Memory

PSYCHOLOGY AND LIFE: HARNESSING THE POWER OF PRIMING

INTERSECTION: MEMORY AND SENSATION: WHY DOES SMELL SHARE A SPECIAL RELATIONSHIP WITH MEMORY?

Memory Retrieval

Serial Position Effect
Retrieval Cues and the Retrieval Task
Special Cases of Retrieval

CRITICAL CONTROVERSY: MEMORIES: RECOVERED, DISCOVERED, OR FALSE?

Forgetting

Encoding Failure
Retrieval Failure

Study Tips from the Science of Memory

Encoding, Rehearsal, and Retrieval of Course Material
Mnemonic Strategies

Memory and Health and Wellness

The Vital Role of Autobiographical Memory
Memory and Aging
Memory and Everyday Life

Summary: Memory
Key Terms
Apply Your Knowledge

CHAPTER 9

THINKING, INTELLIGENCE, AND LANGUAGE

The Cognitive Revolution in Psychology

Thinking

Concepts
Problem Solving
Reasoning and Decision Making

INTERSECTION: EMOTION AND COGNITION: HOW FEELING AFFECTS THINKING

Thinking Critically and Creatively

PSYCHOLOGY AND LIFE: LIVING A MORE CREATIVE LIFE
Expertise

Intelligence

Measuring Intelligence
Genetic and Environmental Influences on Intelligence
Extremes of Intelligence
Theories of Multiple Intelligences

Language

The Structure of Language
Links Between Language and Cognition
Biological and Environmental Influences on Language
Early Development of Language
Language and Education

CRITICAL CONTROVERSY: IS BILINGUAL EDUCATION A GOOD THING?

Thinking and Problem Solving and Health and Wellness

Cognitive Appraisal and Coping
Strategies for Successful Coping

Summary: Thinking, Intelligence, and Language
Key Terms
Apply Your Knowledge

CHAPTER 10

MOTIVATION AND EMOTION

Approaches to Motivation

- The Evolutionary Approach
- Drive Reduction Theory
- Optimum Arousal Theory

Hunger

- The Biology of Hunger
- Obesity and Eating Behavior
- Dieting

INTERSECTION: MOTIVATION AND COGNITION: THE PSYCHOLOGY OF RESISTING TEMPTATION

Sexuality

- The Biology of Sex
- Cognitive and Sensory/Perceptual Factors
- Cultural Factors
- Sexual Behavior and Orientation

Beyond Hunger and Sex: A Positive Psychology Approach to Motivation

- The Cognitive Approach

CRITICAL CONTROVERSY: DOES EXTRINSIC MOTIVATION UNDERMINE INTRINSIC MOTIVATION?

- Maslow's Hierarchy of Human Needs
- Self-Determination Theory
- Self-Regulation: The Successful Pursuit of Goals

PSYCHOLOGY AND LIFE: HOW GOAL DIRECTED ARE YOU?

Emotion

- The Biology of Emotion
- Cognitive Factors
- Behavioral Factors
- Sociocultural Factors
- Classifying Emotions

Emotion and Health and Wellness

- Positive Emotions, Health, and Coping
- The Interplay of Positive Emotions and Resilience

- Summary: Motivation and Emotion
- Key Terms
- Apply Your Knowledge

CHAPTER 11

PERSONALITY

Psychodynamic Perspectives

- Freud's Psychoanalytic Theory
- Psychodynamic Dissenters and Revisionists
- Evaluating the Psychodynamic Perspectives

Humanistic Perspectives

- Maslow's Approach
- Rogers's Approach
- Evaluating the Humanistic Perspectives

Trait Perspectives

- Trait Theories
- The Five-Factor Model of Personality

CRITICAL CONTROVERSY: CAN PERSONALITY CHANGE?

INTERSECTION: PERSONALITY AND EMOTION: ARE SOME PEOPLE HAPPIER THAN OTHERS?

- Evaluating the Trait Perspectives

Personological and Life Story Perspectives

- Murray's Personological Approach
- The Life Story Approach and Identity
- Evaluating the Life Story Approach and Similar Perspectives

Social Cognitive Perspectives

- Bandura's Social Cognitive Theory
- Mischel's Contributions
- Evaluating the Social Cognitive Perspectives

Personality Assessment

- Self-Report Tests

PSYCHOLOGY AND LIFE: ARE YOU A NICE PERSON?

- Projective Tests
- Other Assessment Methods

Personality and Health and Wellness

- Conscientiousness and Personal Control
- Type A/Type B Behavior Patterns
- Optimism and Hardiness
- Traits and States

- Summary: Personality
- Key Terms
- Apply Your Knowledge

CHAPTER 12

SOCIAL PSYCHOLOGY

Social Cognition

- Person Perception
- Attribution
- The Self as a Social Object
- Attitudes

Social Influence

- Conformity and Obedience
- Group Influence

Intergroup Relations

- Group Identity: Us Versus Them
- Prejudice
- Ways to Improve Interethnic Relations
- Altruism
- Aggression

CRITICAL CONTROVERSY: DO VIOLENT VIDEO GAMES LEAD TO VIOLENCE?

INTERSECTION: SOCIAL PSYCHOLOGY AND DEVELOPMENTAL PSYCHOLOGY: DOES SELF-ESTEEM PREDICT AGGRESSION?

Close Relationships

- Attraction
- Love
- Models of Close Relationships: Making Love Work

Social Psychology and Health and Wellness

- Social Support and Health

PSYCHOLOGY AND LIFE: HARNESSING THE HEALING POWER OF WRITING SOCIAL ISOLATION AND LIFE'S TRANSITIONS

- Summary: Social Psychology
- Key Terms
- Apply Your Knowledge

CHAPTER 13

INDUSTRIAL AND ORGANIZATIONAL PSYCHOLOGY

Origins of Industrial and Organizational Psychology

- The Advent of Scientific Management
- Ergonomics: Where Psychology Meets Engineering
- The Hawthorne Studies and the Human Relations Approach to Management

Industrial Psychology

- Job Analysis and Job Evaluation
- Personnel Selection
- Training
- Performance Appraisal

Organizational Psychology

- Approaches to Management
- Job Satisfaction

CRITICAL CONTROVERSY IS A HAPPY WORKER A MORE PRODUCTIVE WORKER?

- Employee Commitment
- The Meaning of Work
- Leadership

INTERSECTION: I/O PSYCHOLOGY AND PERSONALITY: WHO'S IN CHARGE?

Organizational Culture

- Types of Organizational Culture
- Factors Contributing to Positive Organizational Culture
- Toxic Factors in the Workplace

PSYCHOLOGY AND LIFE: COPING WITH SEXUAL HARASSMENT

I/O Psychology and Health and Wellness

- Stress at Work
- Managing Job Stress

- Summary: Industrial and Organizational Psychology
- Key Terms
- Apply Your Knowledge

CHAPTER 14

PSYCHOLOGICAL DISORDERS

Defining and Explaining Abnormal Behavior

- Theoretical Approaches to Psychological Disorders
- Classifying Abnormal Behavior

CRITICAL CONTROVERSY: ARE PSYCHOLOGICAL DISORDERS A MYTH?

Anxiety Disorders

- Generalized Anxiety Disorder
- Panic Disorder
- Phobic Disorders
- Obsessive-Compulsive Disorder
- Post-Traumatic Stress Disorder

Mood Disorders

- Depressive Disorders

PSYCHOLOGY AND LIFE: ARE YOU DEPRESSED?

- Bipolar Disorder

Causes of Mood Disorders

INTERSECTION: CLINICAL AND DEVELOPMENTAL

PSYCHOLOGY: CAN NEW DISCOVERIES BRING DEPRESSED CHILDREN A HAPPIER FUTURE?

Suicide

Dissociative Disorders

Dissociative Amnesia and Fugue
Dissociative Identity Disorder

Schizophrenia

Symptoms of Schizophrenia
Types of Schizophrenia
Causes of Schizophrenia

Personality Disorders

Odd/Eccentric Cluster
Dramatic/Emotionally Problematic Cluster
Chronic-Fearfulness/Avoidant Cluster

Psychological Disorders and Health and Wellness

Targeting Illness and Unhealthy Lifestyles
Facing Up to and Overcoming Stigma

Summary: Psychological Disorders
Key Terms
Apply Your Knowledge

CHAPTER 15

THERAPIES

Biological Therapies

Drug Therapy

CRITICAL CONTROVERSY: SHOULD CHILDREN BE TREATED WITH ANTIDEPRESSANTS?

Electroconvulsive Therapy
Psychosurgery

Psychotherapy

Psychodynamic Therapies
Humanistic Therapies
Behavior Therapies
Cognitive Therapies

INTERSECTION CLINICAL PSYCHOLOGY AND NEUROSCIENCE:

WHAT'S GOING ON IN THE BRAIN DURING COGNITIVE THERAPY?

Sociocultural Approaches and Issues in Treatment

Group Therapy
Families and Couples Therapy
Self-Help Support Groups
Community Mental Health
Cultural Perspectives

The Effectiveness of Psychotherapy

Research on the Effectiveness of Psychotherapy
Common Themes in Psychotherapy
Therapy Integrations
Funding and Finding Therapy
Mental Health Professionals
Guidelines for Seeking Professional Help

PSYCHOLOGY AND LIFE: EVALUATING WHETHER YOU NEED A THERAPIST

Therapies and Health and Wellness

Potential Effects of Psychotherapy on Physical Health and the Prevention of Disorders
Potential Effects of Psychotherapy on the Enhancement of Wellness and Personal Growth
The Client's Role in Therapeutic Success

Summary: Therapies
Key Terms
Apply Your Knowledge

CHAPTER 16

HEALTH PSYCHOLOGY

What You Already Know About Health Psychology

The Biopsychosocial Model
The Relationship Between the Mind and Body

Making Positive Life Changes

Theoretical Models of Change
The Stages of Change Model

Tools for Effective Life Change

Self-Efficacy
Motivation

INTERSECTION: HEALTH PSYCHOLOGY AND MOTIVATION: WHY DO WE DO THE THINGS WE SHOULDN'T DO?

Religious Faith

Cultivating Good Habits

Controlling Stress
Becoming Physically Active
Eating Right

CRITICAL CONTROVERSY: CAN YOU BE FAT AND FIT?

Quitting Smoking
Practicing Safe Sex

PSYCHOLOGY AND LIFE: HOW MUCH DO YOU KNOW ABOUT CONDOMS?

Integrating Psychology and Health and Wellness

Positive Psychology Is Plain Old Psychology
Psychology Is About You

Summary: Health Psychology
Key Terms
Apply Your Knowledge
