UNIT (8) Integrated Applications — Unit Closer

Build Your Portfolio (page 419)

The Future is Getting Smaller

Directions: After you have finished your project, determine whether you have completed the criteria listed in the left column. Fill in the checklist in the shaded columns below and then turn the rubric in to your teacher along with your project.

	Student Checklist		Teacher Evaluation
Criteria	**Completed**	**Not Completed**	**Comments**
Use the World Wide Web to find information about current developments in compact technology and choose a specific type of this technology as your topic			
Find Data for a worksheet about your chosen technology			
Write a Word outline to use as a basis for a presentation, with at least five Level 1 headings and a final Level 1 heading introducing your citations			
Create an Excel worksheet from your data			
Create a chart from your worksheet that supports your information			
Use PowerPoint to create a presentation by importing your Word outline			
Add a template, animation, transitions, and sound to your slides			
Add your Excel chart to the correct slide and add images to at least three other slides			
Use correct formatting, spelling, punctuation and grammar			
Edit to make your presentation clear and free of errors
