Projects Across the Curriculum 3 (page 418)

Create a Technology Presentation

Directions: After you have finished your project, determine whether you have completed the criteria listed in the left column. Fill in the checklist in the shaded columns below and then turn the rubric in to your teacher along with your project.

Criteria	Student Checklist		Teacher Evaluation
	Completed	Not Completed	Comments
Use the Internet to research the invention of a specific technology, tracing the technology's development to the present			
Use Excel to create a worksheet showing the growth of your chosen technology and convert your data into a chart			
Use the Outline View in Word to create an outline for your presentation and import the outline into PowerPoint			
Explain how the technology has developed over the years			
Use images, animation, sound effects, and transitions in your slides			
Import the Excel chart into your presentation			
Use correct spelling, punctuation, grammar, and formatting			
Edit your presentation to make sure it is clear and free of any errors
