

 **PowerPoint Directions**

1. Start your PowerPoint software program.
2. Based on the information you have collected about the entrepreneur, develop a minimum of six slides that will describe the background, characteristics, and skills of this entrepreneur.
3. Save your work.
4. Print out a copy of your slides if your teacher has instructed you to do so.
5. Answer the following questions.

**Interpreting Results**

1. Why is it important for entrepreneurs to have role models?

---

---

---

---

---

2. Present your slide presentation to your class. What characteristics and skills were common to all the entrepreneurs presented? Were there any characteristics and skills that were distinctive to one of the entrepreneurs?

---

---

---

---

---

---

---

---

**Drawing Conclusions**

3. Why is it important for potential entrepreneurs to identify the background, characteristics, and skills of successful entrepreneurs?

---

---

---

---
