

***Business Week* Management Model: A Q&A**

Below are five questions that explore *Glencoe's Business Management* feature, the Management Model. As you'll recall, each chapter in the book includes an excerpt from a *Business Week* article. Do you remember how bebe inc., made it big? Or do you remember how Japanese women won more rights in the workforce? These questions give you a chance to reflect on the Management Model article that's of interest to you.

1. What industry did the article cover?
2. List a few interesting facts that you learned about the industry.
3. How does this industry affect global business?
4. How does this article support key concepts addressed in the book's chapter?
5. Analyze the trends mentioned in this article. How do these influence our future?
