**Challenge Yourself Project
9 Evaluate Methods**

Directions: After you have finished your project, determine whether you have completed the criteria listed in the left column. Fill in the checklist in the shaded columns below and then turn the rubric in to your teacher along with your project.

Criteria	Student Checklist		Teacher Evaluation
	Completed	Not Completed	Comments
Answered the question: Will you use Excel, Access, or both to manage the hospital data?			
Answered the question: If you use Access, how will you keep track of the total beds?			
Answered the question: If you use Excel, how will you produce lists sorted by the type of care?			
Answered the question: If you use Excel, how will you produce partial lists for one type of care?			
Answered the question: If you use both, will you link the tables?			
Answered the question: How will you make corrections?			
Keyed your answers in a Word document
