

Chapter**5**Introducing
Adobe Photoshop**Project 5-2**Rubric
5-2**Project 5-2 (pages 207-210)****Complete a Collage**

Directions: After you have finished your project, determine whether you have completed the criteria listed in the left column. Fill in the checklist in the shaded columns below and then turn the rubric in to your teacher along with your project.

	Student Checklist		Teacher Evaluation
Criteria	Completed	Not Completed	Comments
In Project 5-1, use the Magnetic Lasso to select the chimney. Move the chimney above the house.			
Use the Magnetic Lasso to select the roof. Move it above the house and over the bottom of the chimney.			
Use the Rectangular Marquee to select the green background with candies.			
Use the Magic Wand to subtract the green background from the candies.			
Move the candies to the roof and resize them. Rotate the candies to align them with the roof.			
Copy the candies. Flip the image. Align the flipped candies with the other half of the roof.			
Select, move, resize, and copy the windows. Place them on the house as shown.			
Select the peppermint balls and move them into place in front of the house.			
Crop unwanted areas of the image.			
Follow directions to save and print your work.
