Research a location that interests you. Collect information and images to use in a postcard.			
Write a brief description for the address side of the card.			
Draw thumbnails by hand to show how the images will be used in your design and where the text will be placed.			
Use Publisher and Photoshop to create the postcard.			
Use at least one filter.			
Use layer styles on some of the text.			
Create the address side of the card. Include the description you wrote.			
Check for spelling and other errors and revise as necessary.			
Evaluate your design according to PARC principles.			
Follow directions to save and print your work.
