

Chapter 21 Getting a Job

When applying for jobs on the internet, there are some simple tricks to help make your efforts more effective and efficient.

[“Net the perfect job—tips news & trends.”](#) Career World. September 2003. FindArticles.com. Accessed November 13, 2006.

Understanding body language can greatly assist you during the job interview process.

Diana Bentley. [“Good body language makes the difference.”](#) Evening Standard (London). December 14, 2004. FindArticles.com. Accessed November 13, 2006.

Companies looking for internet technology (IT) employees use the job interview to evaluate a prospect’s character, which they consider to be just as important as their skills.

John Fontana. [“Creativity is key to recruitment.”](#) Network World. October 31, 2005. FindArticles.com. Accessed November 13, 2006.

A job satisfaction survey for nurses shows some of the reasons for the high job turnover in that profession.

[“Survey of 76,000 Nurses Probes Elements of Job Satisfaction.”](#) New Jersey Nurse. May/June 2005. FindArticles.com. Accessed November 13, 2006.
