

# Chapter 18 Technology in the Workplace

## Section 18.1 Information Technology

### Reading Activity—Create a Table

**Directions** Create a table that lists and describes ten technology devices or applications mentioned in this section. List the technology devices in the left column and write a brief description of each device in the right column.

Information Technology	
Device or Application	Description
1.	
2.	
3.	
4.	
5.	
6.	
7.	
8.	
9.	
10.
