### WebQuest Capítulo 9 ¡Vamos de compras!

You are planning a trip to Spain and want to buy some clothes online from a Spanish department store. You have a limited budget, but plan to buy five items for your travel wardrobe. Write the names and colors of five different clothing items you might select in Spanish in the chart below. Also, write how much you think you would pay in U.S. dollars if you were to buy the item from a store in the United States.

| Artículo | Color | Precio \$ |
|----------|-------|-----------|
|          |       |           |
|          |       |           |
|          |       |           |
|          |       |           |
|          |       |           |

Use the Internet to select five items from a Spanish department store and record the information about each one in the chart below. You may want to wait until after you have selected all of your items to do your currency conversion into dollars.
