

**Outlook
Lesson****1****Challenge Yourself Project 11
Think about Technology**

Directions: After you have finished your project, determine whether you have completed the criteria listed in the left column. Fill in the checklist in the shaded columns below and then turn the rubric in to your teacher along with your project.

	Student Checklist		Teacher Evaluation
Criteria	Completed	Not Completed	Comments
Interviewed classmate discussing the conference			
Created a list of four to five questions regarding technology			
Asked for examples of technology that they use on a daily basis			
Asked how their life would be different if they did not have this technology			
Asked how their life would be different if they were born fifty years in the future			
Created a new Word document			
Keyed the results of the five questions in the document			
Saved your document as o1rev-[your first initial and last name]11			
Created an e-mail with the subject o1rev11			

Name _____ Period _____ Date _____

Keyed a brief summary of the interview in an e-mail			
Sent the e-mail to your teacher with the Word document as an attachment
