Clothing That Suits You

Directions Pretend you are dividing your wardrobe into three categories so you can decide what to keep and what to give away. Prioritize your clothing items from left to right by writing in the names of categories you will find as you read. Use a graphic organizer like the one below to organize your information.

The graphic organizer consists of three vertical rectangular boxes arranged horizontally. The first box on the left has an arrow pointing to the second box in the middle, and the second box has an arrow pointing to the third box on the right.
