

Section 3.1 - Foodservice Careers

As you read, use a wheel like this one to help you remember the five basic positions in the kitchen brigade. In each section of the wheel, name one position.

Section 3.2 - Foodservice Trends

Use a Venn diagram like the one below to organize the seven foodservice trends listed in this section into different categories according to the factors that influence those trends. When a trend fits into more than one category, write notes about it in the area of the diagram where the appropriate circles overlap.

Section 3.3 - Entrepreneurship Opportunities

Owning your own restaurant has both advantages and disadvantages. Use a pro-con chart like the one below to list the three pros and the three cons of owning a restaurant.
