

# Activity 88

## Judge for Yourself

**Directions:** To evaluate quality in clothing, you must consider how well made, durable, and comfortable the item seems to be. Use a new garment that still has its labels and hang tags attached to answer the questions below.

1. What is the fiber content of the garment?

---

2. What method was used to make the fabric (knitting, weaving, etc.)?

---

3. Where should the garment be tested to see if it was cut on the grain?

---

4. What finish has been added to the fabric?

---

5. Assess the quality of the garment by checking the seams, darts, buttonholes, and pockets.

---

---

---

---

6. How does the fabric feel when touched? How would this affect comfort?

---

---

7. Describe the care the garment requires.
