

# Section 23.1 Study of Development

**Directions** As you read, note the two types of motor skills and examples of each. Use a cluster diagram like the one shown to help you organize your information.

# Lifespan Development

## Section 23.2 Patterns of Development

**Directions** As you read, note at least one characteristic of intellectual development from infancy through adolescence. Use this chart to help you organize your information.

Stage	Characteristics of Intellectual Development
Infancy	
Toddler Years	
Preschool Years	
School-Age Years	
Adolescence
