## **Chapter 1 The Fundamentals of Economics**

## **College and Career Readiness: Civic Literacy**

**Directions** Being an informed citizen means you must be aware of issues that affect you, your community, and the nation. Use the Internet to research three issues that are important to you and also impact society. Use the chart to state the issue, and then describe what you can do to encourage other voters to support it or not to support it. Then answer the questions that follow.
