

Chapter 15 Consumer Credit

College and Career Readiness: Responsibility

Directions Make a list of tasks a person your age might be responsible for and what has to be done to ensure those tasks are completed. Then describe how each task relates to job skills you could present to a potential employer.

Job	Details of Tasks	Translates to Job Skills

Name _____ Date _____ Class _____

How do you think your responsibilities listed in the table would appear to someone who was considering hiring you for a job?

What are some other characteristics employers consider valuable? How could you show you possess these characteristics?

Why do you think responsibility is valued as a characteristic?
