Chapter 33 Entrepreneurial Concepts

Section 33.1 Entrepreneurship

Green Marketer Activity: Selling Eco-Fashion

Directions Research an entrepreneur who has pursued an environmentally friendly business idea in the U.S. or abroad and answer the following questions.

- What does the business do? 1.
- 2. Where is it located?
- 3. How much does it earn?
- How does the business benefit the environment? Write a paragraph or create a visual 4. presentation with text and images summarizing your research.
